THE STORY

The Empire range adds a sleek, smart element to any modern living room. The low-profile streamlined design comes in either fabric or leather options. The multi-position headrests feature a forward-release ratchet mechanism to help you get the perfect angle for relaxation. Wide armrests and fixed cushions filled with high-density foam offer comfort and support, and aluminium stiletto legs add to the Empire's style credentials.

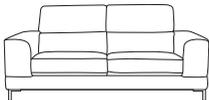

MATERIALS

Solid timber frame with timber composites. Foam core seat with a loose fibre and foam back. Webbing suspension which stays resilient so that seats remain supportive over time.
