## Sofa range

### THE STORY

The Hilton's Italian-inspired contemporary design makes it one of Freedom's best selling styles. Its slim profile seat cushions, spaced back cushions and solid-cast stiletto legs all contribute to the sleek, stylish overall look. The Hilton has special Quiltec foam in the seats that allows a shallow cushion without compromising on comfort.

### MATERIALS

Solid timber frame with timber composites. Foam core seat with a loose fibre back and die cast solid aluminium legs. Highly resilient Pirelli webbing.
