Care Information

Periodically check and re-tighten any fasteners. Dust weekly using a soft, clean cloth. Do not use harsh abrasives, chemicals or polishes containing silicone. Avoid direct sunlight as this will cause the timber to change colour. It is important to remove moist substances immediately. Use coasters, placemats and table runners to assist in prolonging the life of your product.

Note: Thank you for purchasing our Wyatt Side Table. Whilst great care is taken during production, this piece may have some subtle splitting, cracking & chipping that give it an vintage look. Such a look is part of the charm and appeal of this crafted timber product and is not a manufacturing defect.
